Description

This 2026 Kia Picanto Pure is a practical city car powered by a 1.0L petrol engine that meets Euro 6 emission standards. This specific vehicle has had only one owner from new, ensuring a straightforward history for its next driver. As the Pure trim level, it offers a focused specification designed for everyday reliability and ease of use.

The Picanto stands out in its class by balancing running costs with modern convenience. It is particularly economical, achieving 52 mpg and producing low CO2 emissions, which helps keep ongoing expenses manageable. Furthermore, it sits in a low insurance group, making it an accessible choice for a wide range of drivers. Inside, the cabin is equipped with manual air conditioning and a Bluetooth connection for simple phone pairing. Technology is well integrated, featuring Apple CarPlay and Android Auto for seamless smartphone connectivity, while parking is made easier by the inclusion of a reversing camera system and rear parking sensors.

Location

Bentley Motor Group - Keighley
