Description

This 2018 Mazda CX-3, presented in the Sport Nav+ trim, offers a practical and capable driving experience. Powered by a 2.0L petrol engine, this vehicle features a four-wheel drive system, providing added confidence on the road. It meets Euro 6 emission standards and has covered 42,472 miles, which is a low mileage for its age.

The Sport Nav+ variant is well equipped to enhance daily journeys, featuring heated front seats and automatic climate control for consistent comfort. Drivers benefit from a colour head-up display and smart keyless entry, while the premium Bose sound system with seven speakers provides high-quality audio through the AM-FM DAB radio and CD-MP3 player. With an acceleration time of 0-62mph in 8.8 seconds and a low insurance group rating, this model balances performance with sensible running costs, making it a practical choice for those seeking a well-specified vehicle.
