## Description

This 2023 Volkswagen T-Roc TSI Life presents an exceptional opportunity with remarkably low mileage for its age, having covered just 15,422 miles. This Euro 6 compliant, 1.0 litre petrol model is presented in the Life trim, offering a blend of style and practicality. Inside, you'll find a Bluetooth mobile phone interface for seamless connectivity, and the Air Care Climatronic air conditioning system with an active combination filter and two zone temperature control ensures a comfortable cabin environment for all occupants. Navigating tight spaces is made effortless thanks to the Park Assist system, which includes parking sensors at both the front and rear.

Further enhancing your driving experience, the Driver Assistance Package incorporates adaptive cruise control, allowing for more relaxed journeys. The vehicle is also equipped with LED headlights, providing excellent visibility. With an impressive fuel economy of 48 miles per gallon and low CO2 emissions, this T-Roc TSI Life demonstrates a more efficient and environmentally conscious approach compared to many similar vehicles. This combination of advanced features, excellent condition, and economical running costs makes it a standout choice.
