Description

This 2023 Kia Stonic T-GDi 2 is a practical and modern compact crossover that has been maintained by only one owner from new. Powered by a 1.0 litre petrol engine that meets Euro 6 emission standards, this vehicle offers a balanced driving experience suitable for both city commuting and longer journeys. The interior is equipped with an 8 inch touchscreen navigation system, which includes full compatibility with Android Auto and Apple CarPlay for seamless connectivity. Safety is prioritised through the inclusion of rear airbags, a Driver Attention Warning system, High Beam Assist for the headlights, and a Lane Keep Assist System.

The Kia Stonic stands out in its class by offering a combination of efficiency and affordability that makes it a sensible choice for many drivers. It achieves an impressive fuel economy of 50 mpg, helping to reduce running costs significantly over time. Furthermore, the vehicle benefits from low CO2 emissions and falls into a low insurance group, which contributes to its overall cost effectiveness. These features ensure that the Stonic remains an economical option without compromising on the essential technology and safety equipment expected in a contemporary vehicle.
