### Description

This Peugeot 3008 1.6 13.2kWh GT Premium e-EAT 4WD Euro 6 (s/s) is a luxurious and technologically advanced plug-in hybrid SUV that combines efficiency with stylish design and great capabilities.

**Powertrain:** Equipped with a 13.2kWh battery and a 1.6-liter petrol engine, offering a significant electric driving range along with the ability to switch seamlessly between electric and hybrid modes, reducing emissions and fuel consumption.

**Transmission:** The e-EAT 8-speed automatic transmission ensures smooth and efficient power delivery during acceleration and cruising.

**4WD Capability:** The 4WD system enhances traction and stability, especially useful in adverse weather conditions or off-road driving.

**Emissions & Efficiency:** As a Euro 6 (s/s) vehicle with plug-in technology, it boasts low emissions, especially when running on electric power, and benefits from stop-start technology for added efficiency.

**Design & Features:** The GT Premium trim includes premium

features such as a large touchscreen infotainment system with navigation, advanced safety and driver assistance systems, premium interior materials, and distinctive exterior styling.

Color: Finished in blue, giving it a modern, sleek, and vibrant appearance.

Overall, the Peugeot 3008 GT Premium e-EAT is an excellent choice for drivers seeking a premium, eco-friendly SUV with sophisticated technology and versatile driving modes. If you want more details or have specific questions, just let me know!
