Description

This Toyota C-HR 1.8 VVT-h Design CVT Euro 6 (s/s) is a stylish and efficient hybrid SUV that offers modern design, reliability, and eco-friendly technology.

Engine & Powertrain: Powered by a 1.8-liter hybrid petrol engine with Toyota's proven hybrid system, delivering smooth, quiet performance and excellent fuel economy—ideal for urban commutes and longer drives.

Transmission: Features a CVT (Continuously Variable Transmission), ensuring seamless, responsive acceleration and a relaxed driving experience.

Emissions: Fully compliant with Euro 6 (s/s) standards, including stop-start technology, helping to reduce emissions and maximize fuel efficiency.

Body Style: The C-HR is a compact, stylish SUV with a distinctive design, offering a high driving position, versatile interior, and practical cargo space.

Features: The Design trim typically includes a modern infotainment system with Bluetooth, Apple CarPlay/Android Auto, and driver-assistance technologies.

Color: Finished in silver, combining a contemporary and sleek look.

Overall, the Toyota C-HR Hybrid is a reliable, stylish, and eco-friendly choice, perfect for drivers looking for a compact SUV with advanced hybrid technology. If you'd like more details or have questions, just ask!
