Description

The Ford Kuga 1.5T EcoBoost ST-Line Edition Euro 6 (s/s) is a stylish, sporty SUV that combines dynamic driving, modern features, and practicality. Here's a brief overview:

Engine: Powered by a 1.5-liter turbocharged EcoBoost petrol engine, delivering lively performance, smooth acceleration, and impressive fuel efficiency.

Transmission: Comes with a manual gearbox, offering engaging control and driving enjoyment.

Emissions: Fully compliant with Euro 6 (s/s) standards, with stop-start technology that helps reduce emissions and improve fuel economy.

Body Style: The Kuga is a mid-sized SUV, offering a spacious interior, versatile cargo space, and a commanding road presence, suitable for families or outdoor adventures.

Features & Trim: The ST-Line Edition trim adds sporty styling cues such as unique alloy wheels, body kit accents, and interior upgrades like a touchscreen infotainment system with connectivity, along with safety features and driver assistance aids.

Color: Finished in silver, giving it a sleek, modern, and attractive appearance.

Overall, the Ford Kuga ST-Line Edition is a well-equipped, sporty SUV that offers a blend of performance, practicality, and advanced technology. If you'd like more details or have questions, just ask!
