Description

This Lexus UX 300e 54.3kWh Auto 5dr is a premium fully electric SUV that combines luxury, style, and cutting-edge technology.

Battery & Range: Powered by a 54.3kWh battery, it offers an impressive electric driving range suitable for daily commutes and longer trips, emphasizing eco-friendliness and low running costs.

Performance: The electric system provides instant torque, resulting in quick acceleration and smooth, quiet operation typical of premium EVs.

Transmission: Features an automatic gearless transmission, ensuring seamless power delivery and a luxurious driving experience.

Design & Features: The luxury trim includes premium interior materials, a large high-resolution touchscreen with navigation and connectivity options, advanced safety and driver assistance systems, and distinctive Lexus styling.

Color: Finished in silver, giving it a sleek, modern, and sophisticated appearance.

Overall, the Lexus UX 300e delivers a luxurious, efficient, and tech-rich electric driving experience. If you'd like more details or have other questions, just ask!
