Description

This 2022 Hyundai i20 T-GDi N Line presents an exceptional opportunity, boasting a single owner and remarkably low mileage of just 15,846 miles for its age. This Euro 6 compliant model features a 1.0L Petrol Hybrid engine, offering an efficient and responsive driving experience. The N Line trim enhances its sporty appeal, while practical features such as rear parking sensors with assistance, a heated steering wheel for added comfort, and climate control with an automatic de-fogging system for the front windscreen ensure a pleasant journey in all conditions.

Further enhancing its appeal, the Hyundai i20 is equipped with LED headlights that include static cornering functionality, improving visibility during turns. For seamless connectivity, it supports Apple CarPlay, allowing for easy integration of your smartphone. The generous boot space is a significant advantage, providing ample room for luggage or shopping. These carefully selected features and its excellent provenance demonstrate why this Hyundai i20 stands out from other vehicles in its class.
