Description

This 2024 Omoda OMODA 5 TGD Noble is a striking example of modern automotive design and engineering. As a Euro 6 compliant vehicle, it features a responsive 1.6 litre petrol engine, offering an impressive 0-62mph acceleration time of just 7.9 seconds. The Noble trim level comes equipped with a suite of convenient features, including keyless entry and passive entry passive start (PEPS) for effortless access and ignition. You'll also appreciate the comfort of a heated steering wheel and the advanced illumination provided by LED headlights, ensuring excellent visibility in all conditions.

Further enhancing your driving experience, this Omoda OMODA 5 includes integrated mobile phone wireless charging, keeping your devices powered up on the go. These notable features, combined with its brisk acceleration, demonstrate how this vehicle offers a superior and more convenient driving experience compared to others in its class. The 2024 registration year ensures you are acquiring a vehicle with the latest specifications and technology.
