### Description

This 2025 Kia Sportage h T GDi Pure is a standout example, having covered an exceptionally low 1504 miles for its age and boasting a single owner from new. This Euro 6 compliant model features a 1.6 litre petrol hybrid engine, offering an impressive fuel economy of 50 miles per gallon. Its Pure trim level comes equipped with advanced technology, including LED headlights for enhanced visibility, a reversing camera system and front and rear parking sensors to aid manoeuvrability. The Smart Cruise Control 2.0 with Stop and Go functionality adds to the driving ease, while automatic headlight control ensures optimal lighting conditions are always maintained.

The Kia Sportage h T GDi Pure excels in several key areas, demonstrating its superiority over comparable vehicles. Its low CO2 emissions are a significant advantage, contributing to a more environmentally conscious drive. The generous boot space provides ample room for luggage or shopping, making it a practical choice for families and individuals alike. Furthermore, its brisk acceleration, reaching 0 to 62 miles per hour in just 7.9 seconds, offers a dynamic driving experience without compromising on efficiency.
