Description

This 2020 MINI Countryman John Cooper Works boasts exceptionally low mileage for its age, having covered just 30,279 miles. This performance focused variant is equipped with a potent 2.0L petrol engine and a four wheel drive drivetrain, ensuring excellent traction and dynamic handling. As a Euro 6 compliant vehicle, it meets modern emissions standards. Notable features include striking LED headlights with cornering lights, a comprehensive Navigation Pack with Apple CarPlay integration, and a Rain Sensor coupled with automatic headlight activation for added convenience. The Comfort Access System allows for keyless entry, while the Harman Kardon Hi Fi system provides an immersive audio experience.

The John Cooper Works trim level signifies a higher specification, offering a more engaging driving experience compared to other similar vehicles. Its impressive acceleration is a key highlight, achieving 0-62mph in a rapid 5.1 seconds, demonstrating its sporty character. This MINI Countryman combines its performance credentials with practical features, making it a compelling choice for those seeking both excitement and everyday usability.
