### Description

This 2024 Audi Q2 TFSI S line presents an exceptional opportunity with its remarkably low mileage of just 9149 miles, a testament to its careful single ownership. This stylish compact SUV boasts a 1.5 litre petrol engine, meeting Euro 6 emission standards. Inside, you'll find the convenience of the Audi Smartphone Interface, seamlessly integrating your Android Auto or Apple CarPlay, alongside a Bluetooth interface for effortless connectivity. Comfort is assured with manual air conditioning, and parking is made simpler with rear parking sensors. The striking exterior is enhanced by LED headlights and matching LED rear lights, ensuring excellent visibility.

The performance of this Q2 TFSI S line is equally impressive, achieving 0-62mph in a brisk 8.6 seconds, a figure that highlights its responsive acceleration compared to many other vehicles in its class. Furthermore, its fuel economy is a notable strong point, achieving up to 46 miles per gallon, and it also benefits from low CO2 emissions, making it an economical choice. These combined highlights demonstrate the superior efficiency and driving dynamics this particular Audi Q2 offers.
