Description

This 2022 Peugeot 2008 Allure Premium is a superb example, having been owned by just one careful keeper. This stylish compact SUV is powered by an efficient 1.2 litre petrol engine, meeting Euro 6 emissions standards. It comes equipped with a Bluetooth telephone facility for seamless connectivity, and automatic air conditioning with pollen and carbon active filters to ensure a comfortable cabin environment. Navigating tight spaces is made easier with the Visio Park 1 180 degree colour reversing camera, and the Eco LED headlights provide excellent visibility. The Visibility Pack further enhances convenience with automatic headlight activation.

This particular Peugeot 2008 Allure Premium offers excellent running costs, achieving an impressive fuel economy of 53 miles per gallon. Its low CO2 emissions and placement in a low insurance group indicate that it is more economical to own and run compared to many other vehicles in its class. This combination of efficiency, advanced features, and single owner provenance makes it a very attractive proposition.
