Description

This 2025 Kia XCeed T GDi GT Line presents a superb ownership proposition, having had only one owner since new. This stylish hatchback is powered by an efficient 1.0 litre petrol hybrid engine, meeting Euro 6 emission standards. Inside, you'll find a comfortable and connected cabin featuring automatic air conditioning with climate control, ensuring a pleasant environment whatever the weather. Seamless integration with your smartphone is provided by Apple CarPlay and Android Auto, while the reversing camera system, complete with rear parking sensors, makes manoeuvring in tight spaces effortless. For added comfort during colder months, the XCeed boasts a heated steering wheel.

The GT Line trim level signifies a sportier and more premium offering within the XCeed range, indicating a higher specification than many comparable vehicles. The combination of its advanced hybrid technology, comprehensive safety and convenience features, and the assurance of single ownership makes this Kia XCeed a compelling choice for those seeking a well equipped and well maintained compact car.
