### Description

This 2023 MINI Hatch Cooper Classic is a superb example, having had only one owner since new. This stylish hatchback is powered by a responsive 1.5 litre petrol engine, meeting the Euro 6 emission standards. It comes equipped with a Premium Pack, which includes convenient features such as climate control, keyless entry, rear parking sensors, and heated seats for added comfort. The car also boasts LED headlights with a distinctive closed ring design for daytime driving lights, automatic headlight activation, and cruise control with a brake function for effortless journeys. Apple CarPlay is also integrated, keeping you connected on the go.

The performance of this MINI Hatch Cooper Classic is noteworthy, achieving 0 to 62 miles per hour in just 8.3 seconds. This brisk acceleration demonstrates its agile nature and makes it a lively choice compared to other vehicles in its class. The combination of its compact design, efficient engine, and a comprehensive suite of modern features makes this a well rounded and desirable hatchback.
