Description

This 2023 Kia Sportage T GDi 3 is a superb example of a modern family SUV, boasting a 1.6 litre petrol engine and meeting Euro 6 emission standards. This particular model comes in the well appointed '3' trim, offering a comfortable and connected driving experience. You'll appreciate the convenience of automatic headlight control, ensuring your lights are always on when needed, and front parking sensors to aid with manoeuvring. The LED headlamps provide excellent visibility, while the integration of Android Auto and Apple CarPlay with voice control keeps your favourite apps and navigation easily accessible. For added comfort on every journey, both the front and rear seats are heated.

This Kia Sportage stands out with its remarkably low insurance group, making it an economical choice for many drivers. Furthermore, its generous boot space offers ample room for shopping, luggage, or sports equipment, highlighting its practicality for everyday life and adventures. These features, combined with its efficient Euro 6 compliant engine and advanced technology, position this Sportage as a superior option compared to other vehicles in its class.
