Transmission	Automatic
Exterior Colour	N/A
Previous Owners	N/A
Registration	KY20JNN

Description

This 2020 Kia Niro GDi 3 presents an exceptional opportunity with its remarkably low mileage of just 24,318 miles, making it a standout choice for its age. This Euro 6 compliant, 1.6 litre petrol plug in hybrid model, in the well appointed '3' trim, offers an efficient and modern driving experience. It comes equipped with a host of desirable features designed for comfort and convenience, including a heated steering wheel for those chilly mornings, automatic headlight control for effortless visibility, and adaptive smart cruise control with stop and go functionality to ease long journeys. Furthermore, front parking sensors provide added confidence when manoeuvring, and seamless integration with Android Auto with voice control keeps you connected on the go.

The Kia Niro GDi 3 is designed to offer a superior driving experience compared to other vehicles in its class. Its very low mileage for a 2020 model indicates it has been used sparingly, suggesting less wear and tear. The inclusion of a heated steering wheel and adaptive smart cruise control with stop and go functionality are highlights that enhance driver comfort and reduce fatigue, particularly in varied traffic conditions. Additionally, the low insurance group rating means that running costs are likely to be more affordable, making this Niro an attractive and practical option for many drivers.
