Description

This 2022 Volkswagen Tiguan TDI R Line offers an exceptional blend of style and practicality, boasting a 2.0 litre Euro 6 diesel engine. As a 2022 model, it benefits from modern technology and design. The R Line trim ensures a sporty aesthetic, complemented by features such as Adaptive Cruise Control with Predictive Cruise Control, Side Assist with Rear Traffic Alert, and a Winter Pack for added comfort with heated seats and steering wheel. Navigating your journeys is made simple with the Discover Media Navigation Infotainment System, which includes Bluetooth connectivity and streaming capabilities. Automatic driving lights, activated by a dusk sensor, provide convenience and safety.

This Tiguan stands out with its impressive fuel economy, achieving up to 50 miles per gallon, which is a significant advantage over many other vehicles. Its low CO2 emissions also contribute to a more environmentally conscious drive. Furthermore, the Tiguan benefits from a low insurance group, making it an economical choice for many drivers. You'll also appreciate the generous boot space, offering ample room for luggage, shopping, or equipment, further enhancing its practicality for everyday use and longer trips.
