Description

This 2020 BMW 1 Series 118i M Sport offers a rare find with its very low mileage of just 32,309 miles. This hatchback is powered by a 1.5 litre petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. Inside, the cabin is finished with black perforated Dakota leather upholstery featuring grey highlights, providing a comfortable and refined environment. The vehicle is well equipped with practical technology, including automatic air conditioning with two-zone climate control, rain sensors with automatic headlight activation, and bright LED headlights for improved visibility. Drivers can also stay connected through the BMW Live Cockpit Plus system, which includes Bluetooth functionality.

The performance of this model is balanced and responsive, capable of accelerating from 0 to 62mph in 8.5 seconds, making it well suited for both city driving and longer journeys. Beyond its agility, the vehicle provides a practical solution for daily needs with a large boot space that offers generous room for luggage or shopping. By combining the sporty M Sport trim with these functional design choices, this BMW delivers a driving experience that prioritises both efficiency and everyday usability, setting it apart as a versatile choice in the compact car market.
