Description

This 2018 Hyundai i10 Premium SE offers a rare combination of low mileage and limited ownership, having covered just 32,178 miles with only two previous owners. As a Premium SE variant, this compact hatchback is powered by a 1.2 litre petrol engine that meets Euro 6 emission standards. Inside, the cabin is well equipped with a 7 inch touchscreen satellite navigation system that includes TMC, Mapcare, and LIVE services, alongside full compatibility for Android Auto and Apple CarPlay. Comfort is prioritised with heated front seats and a heated steering wheel, while climate control air conditioning ensures the interior temperature remains pleasant throughout the year. Manoeuvring is made straightforward thanks to the inclusion of rear parking sensors.

Choosing this particular model provides a practical and cost effective driving experience, as it sits in a low insurance group, making it an economical choice for many motorists. The integration of modern technology, such as the smartphone connectivity and advanced navigation, sets this vehicle apart from many others in its class by offering a level of convenience usually found in larger cars. By combining these user friendly features with its well maintained history, this i10 represents a sensible and reliable option for those seeking a compact vehicle that does not compromise on comfort or modern functionality.
