Description

The 2023 Volkswagen T-Roc TSI Life is a practical and well-equipped compact SUV designed for modern driving. This model is powered by a 1.0-litre petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations. As a Life trim variant, it offers a balanced specification that focuses on reliability and ease of use for daily journeys.

This vehicle stands out due to its thoughtful integration of technology designed to assist the driver and enhance comfort. Manoeuvring is made simpler with Park Assist, which includes both front and rear parking sensors, while the Driver Assistance Package features adaptive cruise control to help maintain a steady pace on longer trips. Inside, the Air Care Climatronic air conditioning system provides 2-zone temperature control with an active combination filter, ensuring a pleasant cabin environment. Visibility is managed by automatic headlight control, which includes LED daytime running lights and a convenient coming home and leaving home feature. Connectivity is straightforward thanks to the built-in Bluetooth mobile phone interface. With a fuel economy of 48 mpg and low CO2 emissions, this T-Roc offers an efficient and sensible choice for those seeking a capable vehicle.

Location

Bentley Motor Group - Keighley
