Description

This 2018 Renault Captur TCe ENERGY Iconic is a practical and well-maintained compact SUV. With a very low mileage of just 16,103 miles, this vehicle offers a reliable option for those seeking a modern car with plenty of life left to offer. It is powered by a 0.9-litre petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations. The Iconic trim level provides a balanced specification, making it a sensible choice for everyday driving.

The vehicle is designed with convenience and efficiency in mind, featuring a range of equipment that simplifies daily journeys. Drivers benefit from the MediaNav multimedia system with Bluetooth connectivity, while rear parking sensors and automatic folding door mirrors assist with manoeuvring in tight spaces. Comfort is managed through automatic climate control with a one-touch demist function, and the hands-free access system with a key card and start button adds a layer of ease to entering and starting the car. Beyond its equipment, this model is an economical choice, offering 46 mpg fuel economy and low CO2 emissions. Furthermore, its low insurance group rating makes it a cost-effective option to run compared to many other vehicles in its class.
