Description

The 2023 MG HS T-GDI Exclusive is a modern SUV that combines practicality with efficient performance. This vehicle is powered by a 1.5 litre petrol plug-in hybrid engine, which meets Euro 6 emission standards, making it a suitable choice for those looking to balance power with environmental considerations. As an Exclusive trim model, it offers a high level of specification designed to provide a comfortable and capable driving experience for daily use.

This vehicle is equipped with several features that enhance convenience and comfort, setting it apart from many standard models in its class. Drivers can benefit from the 360 degree parking camera, which includes parking assistance to make manoeuvring in tight spaces straightforward. Inside, the cabin features red and black leather upholstery and heated front seating, ensuring a premium feel during colder journeys. Connectivity is managed through a Bluetooth system, and the vehicle comes supplied with a 13A home charger that uses a standard UK domestic plug, allowing for easy charging at home.

Location

Bentley Motor Group - Keighley
