Description

The 2020 Kia Niro GDi 3 is a practical and efficient choice for those seeking a modern hybrid vehicle. This model is powered by a 1.6 litre petrol plug-in hybrid engine, which meets Euro 6 emission standards, making it a sensible option for daily commuting and longer journeys alike. As a 3 trim variant, it offers a balanced specification that focuses on reliability and ease of use, providing a comfortable driving experience for a wide range of motorists.

This vehicle stands out due to its thoughtful inclusion of technology designed to simplify the driving experience. Drivers benefit from adaptive smart cruise control with stop and go functionality, which helps maintain a steady pace in varying traffic conditions. Connectivity is straightforward thanks to Apple CarPlay and Android Auto, both featuring voice control for safer operation while on the move. Parking is made easier with the integrated reversing camera system, and the heated steering wheel adds a touch of comfort during colder months. Furthermore, the vehicle falls into a low insurance group, which can help reduce overall running costs compared to many other cars in its class.

Location

Bentley Motor Group - Keighley
