Description

This 2022 Mazda2, presented in the GT Sport Tech trim, is a well-maintained vehicle that has had only one owner from new. It is powered by a 1.5 litre petrol engine, which is compliant with Euro 6 emission standards. As an e-SKYACTIV G MHEV model, it combines efficient petrol performance with mild hybrid technology, offering a balanced driving experience suitable for a variety of journeys.

The vehicle is equipped with a range of advanced features designed to assist the driver and enhance safety, including adaptive LED headlights with dusk sensing technology and a 360 degree surround view camera system for easier parking. Safety is further supported by blind spot monitoring with rear cross traffic alert, while the integrated Bluetooth system ensures connectivity on the move. With a fuel economy of 57 mpg and low CO2 emissions, this model is an efficient choice, and it is capable of accelerating from 0 to 62 mph in 9.1 seconds.
