Description

This 2019 Ford Fiesta Ti-VCT Trend is a practical hatchback that has been well maintained, having covered only 25,891 miles from new. It has had just one owner since it was first registered, ensuring a clear and straightforward history for its next driver. Powered by a 1.1-litre petrol engine, this vehicle meets Euro 6 emission standards, making it a reliable choice for those seeking a modern and efficient car.

The vehicle is equipped with several features designed to make daily driving more comfortable and convenient. It includes manual air conditioning and automatic headlights, which simplify operation during varied weather conditions. For connectivity and entertainment, the Ford SYNC system features a touchscreen with DAB radio, as well as full compatibility with Apple CarPlay and Android Auto, allowing for seamless integration with your smartphone. Furthermore, this model is notable for its low insurance group and low CO2 emissions, which help to keep ongoing running costs manageable compared to many other vehicles in its class.
