Description

This 2023 Kia Stonic T-GDi GT-Line S is a well-maintained vehicle that has had only one owner from new. As a modern example of this popular crossover, it features a 1.0-litre petrol hybrid engine that meets Euro 6 emission standards. The GT-Line S trim level offers a comprehensive specification, ensuring a comfortable and well-equipped driving experience for its next owner.

This model stands out for its efficiency and practicality, offering an impressive fuel economy of 50 mpg alongside low CO2 emissions, which helps to keep running costs manageable. It also sits in a low insurance group, making it an economical choice for a wide range of drivers. The vehicle is equipped with several useful features designed to enhance convenience and safety, including front parking sensors and automatic headlight control with LED bi-function projection headlights that feature static bending for better visibility. Inside, the cabin includes Bluetooth connectivity with music streaming and a heated steering wheel, providing added comfort during colder weather.

Location

Bentley Motor Group - Keighley
