Description

This 2021 Ford Focus Active X is a practical and well-equipped hatchback finished in Moondust Silver. It is powered by a 1.5 litre diesel engine that meets Euro 6 emission standards, making it a suitable choice for those who prioritise efficiency and modern compliance. As an Active X variant, this model combines the familiar reliability of the Focus range with a specification designed for comfort and ease of use.

The interior of this vehicle is designed to enhance the driving experience through a range of thoughtful features. Passengers can enjoy a bright and airy cabin thanks to the openable panoramic roof, while the dual zone electronic automatic temperature control ensures that both the driver and passengers can maintain their preferred climate settings. Comfort is further improved by heated front seats for both the driver and passenger. Parking is made straightforward with the inclusion of front and rear parking sensors, which are supported by dedicated parking assistance systems to help navigate tight spaces with confidence.

Location

Bentley Motor Group - Keighley
