## Description

This 2023 Kia Picanto DPi GT-Line is a compact and practical vehicle that has been well maintained, having covered only 6,473 miles from new. As a single owner car, it offers a reliable option for those seeking a modern city car. Under the bonnet, it features a 1.0 litre petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations while providing efficient performance for daily driving.

The vehicle is designed to be economical and easy to run, boasting an impressive fuel economy of 55 mpg and falling into a low insurance group, which helps keep ongoing costs manageable. It also benefits from low CO2 emissions, making it a sensible choice for the environmentally conscious driver. Inside, the cabin is equipped with modern technology to enhance every journey, including Apple CarPlay and Android Auto with voice control for seamless smartphone integration. Bluetooth connectivity allows for easy music streaming, while the reversing camera system with dynamic guidelines provides helpful assistance when parking. Comfort is further supported by the inclusion of air conditioning, ensuring a pleasant environment regardless of the weather.
