Description

This 2018 Kia Sportage CRDi 4 is a well-maintained SUV that has been kept by only one owner from new. With a recorded mileage of 45,384 miles, this vehicle has covered a low distance for its age. It is powered by a 2.0-litre diesel engine and features a four-wheel-drive system, making it a capable choice for various driving conditions. As a Euro 6 compliant vehicle, it meets current emission standards, ensuring it remains a practical option for modern driving requirements.

The interior and exterior specifications of this trim level offer a high level of convenience and comfort that sets it apart from many other models. Passengers can enjoy heated front and outer rear seats, while the electric panoramic sunroof adds a sense of space to the cabin. Technology is well integrated, featuring Apple CarPlay and Android Auto for seamless smartphone connectivity. The driving experience is further enhanced by the smart entry system with an engine start-stop button and automatic headlight control, which simplifies daily use. Additionally, the vehicle benefits from a low insurance group, making it a cost-effective choice for those seeking a well-equipped and reliable family vehicle.
